

Advertising with the Monroe County RC Club

<https://www.monroecountyrcclub.org>

The Monroe County RC Club (MCRCC) is a nonprofit organization dedicated to the enjoyment, education, and promotion of the hobby and sport of radio-controlled model aircraft, drones, and vehicles. The club holds its business meetings on the second Wednesday of each month as well as writing a monthly newsletter highlighting club activities and upcoming events. We are always looking for corporate and business sponsors to help us maintain our two flying sites – one on Wylie Road, north of Bloomington and one just off State Highway 252, east of Martinsville.

A one-year annual MCRCC sponsored advertisement supporting the maintenance of our two flying sites, costs \$100 and includes the following:

- A 20-inch x 30-inch advertisement sign, professionally produced by the club and displayed on the Club shelter, facing Wiley Road.
- Your name and/or company name, logo, address, phone number(s), e-mail, and website URL posted on the Monroe County RC Club website at <https://www.monroecountyrcclub.org>
- A rendered advertisement in the monthly Club newsletter.
- The option* to provide a half page description or narrative of your business, to be included in one of our monthly Newsletters.

Local advertising exposes your company to hundreds of local people and businesses because:

- The vendor signs, club website and newsletter provide year-round advertisement, reaching people in Monroe, Morgan, Greene, Johnson, Owen, Lawrence, and Brown Counties.
- The advertising signage located on the MCRCC shelter exposes your company to a wide range of pilots and visitors attending numerous Club Fly-Ins and special events.
- The Monroe County RC Club website and the club's monthly newsletter reach thousands of viewers each year.

We wish to thank you for considering an advertising sponsorship with the Monroe County RC Club and invite you to visit our flying site, ask questions, or even fly an aircraft on the “buddy box” system with one of our well-trained instructors. Perhaps we can show you how to become an RC pilot and join our club!

Please fill out the attached form and return it to the Monroe County RC Club Treasurer.
