I was unable to attend the October 9th club meeting but got some notes from club secretary Tim Porter. Thanks Tim!

This Meeting was held in a new location. Thank you to Michael and Danielle for water and snacks and their hospitality

No Visitors were noted. New member Matt Fisher was voted in

Mail Call was a bill from Quick Pump

Treasurer Report was read and accepted in a motion from Randy Byers, and a second from Joe Jackson and Eric

Club Picnic next day was good, thanks to cooks

The Gap Cover/Bird Blockers are in place, thank you to Bobby and Dave P.

Shelter Work Day will be organized by Stick and Les who worked out how to power wash before painting

Rick Metz was working to get flying going at 1st Baptist Church in Martinsville

Paragon flying may not happen this year, negotiations are not going well

For the Safety Corner, Mark Sexton talked about replacing a servo and reversing it in the receiver, without realizing that the reversing changed the SAFE mode in the receiver, resulting in a crash

Yikai provided more information and let it be known that he would help anyone who needs assistance getting SAFE on more advanced receivers set up. The main concept being that

you must test by picking up the airplane and modify the gyro settings before flying, after making changes like reversing.

Rick Metz gets the Dork award for a Crash into the pits at the Big Bird Fly, that is his 4th

Motion to close by Randy Byers seconded by Steve Dorsett

Interesting Bits

Les Mobley brought a truck load of equipment down to the club field and he & VP Steve Dorsett power washed the club shelter assisted by Bob Shireman.

Bob Shireman caught the combine picking the beans at the club field.

Rick Metz found two airplanes at Nebo Field. One on the ground & one in a tree. Contact Rick if you are missing one.
