February 2025 Edition

No January Meeting Notes...

For the first time in recorded history (as far as I know) there was no meeting of the Monroe County R/C Club. The January 8th meeting was cancelled due to poor road conditions caused by the snow we received on Saturday & Sunday January 4th & 5th. Most areas got seven to ten inches of snow and the media emergency lasted for several days. We'll try meeting again on February 12th weather permitting. If anybody got out on New Year's Day for a flight, please send me a picture or a report.

Interesting Bits...

Bob Shireman organized the auxiliary club meeting at Toma-to Pie in Paragon on Wednesday the 8th via text message after the regular club meeting was cancelled. Several club members & family braved the slick roads for a hot meal & a great time. Thanks for the invite Bobby!

Les Mobley took these pictures on Saturday March 11th at Nebo memorial field in Martinsville. VP Steve Dorsett organized the event via text & we ate lunch at Indy's before we

went out to brave the cold & snow. The West wind was brisk & the snowpack was so loose that some skis didn't have enough surface area to support the aircraft. The deep snow was also tough for old fat guys to walk through. It's a long walk from the road (parking area) to the flight line in knee deep snow. Pilots participating were Stick man, Yikai Yan, Les Mobley, Bob Shireman, & Brian Elliott. Thanks for the pictures Les!
