May Meeting Notes...

It was sunny, nice, & 83 outside when the May 14th meeting of the Monroe County R/C Club was called to order at 7:00:40 in Michael Sexton's air conditioned race car garage by club president Mark Sexton with 12 club members present. VP Steve Dorsett, treasurer Rick Hill, & secretary Tim Porter were absent but Clint Seyer was recording the meeting for Mr. Porter & Yikai read the money report for Rick.

New member Casey Blunck was voted in but was not present. Welcome Casey!

Yikai reported that the landing fee for the June 21st fun fly will be \$10.00. If you just want to do lunch & not fly, the fee is \$5.00.

Those participating in the "Charlie Built" fly-in on June 14th were asked to bring a side dish for lunch. Stick Man will be bringing pulled pork for the main dish.

Joe Jackson reported that he had sprayed the weeds in the driveway at the club field. Thanks Joe!

It was reported that the annual bulk fuel order is complete & the club has six gallons available for sale.

Advertising possibilities were discussed for the R/C public awareness day at the club field on July 26th.

Four club hats will be available when the current order arrives.

Ted Backs reported that the sale at the Bedford airport has been cancelled.

The club voted to partner with the CAP & EAA again this year to have a booth at the Monroe County Fair. Volunteers will be needed from June 30th to July 6th.

Official allowable flight altitude numbers have been posted for the club field, Nebo, & Les's pond in Gosport. Check the interweb if you are worried about flying too high.

There was no "Stick's Safety Corner" but Yikai reminded those present to remove the prop when working on electric powered aircraft. He had the "failsafe" on a transmitter fail.

The coveted "Dork Award" is still with Rick Metz.

The meeting was closed at 7:43:12...
