Interesting Bits...

After the big January snowfall was about gone, several Nebo pilots went back out to play in the cold for a while. Three airplanes went up, one airboat went for a slide, & two trucks slid around the track. Big fun on the ice field.

Les Mobley hosted a "slide-in" on his pond in Gosport on January 26th. The bonfire kept the chill off & they had a great time. Thanks for the pictures Les!

I got this email from Tim Sparks. Check it out.

On 15 February I was interviewed on this u tube channel. I think it came off real well. Ward Carroll is a wonderful host and worth your time to watch his other video's. My stuff starts at around 23:05 if you want to cut to the chase. No politics just the facts on his channel. Tim
