

## May 2025 Edition

### April Meeting Notes...

It was overcast & 42 degrees outside when the April 9th meeting of the Monroe County R/C Club was called to order by VP Steve Dorsett at 7:00:12 with sixteen members present as counted by Tim Mel-lott.

President Mark Sexton & Treasurer Rick Hill were both on vacation & missed the meeting. Yiki Yan read the treasurer's report for Rick.

The club fuel order is here & is being distributed. The cost is \$27.00 per gallon. Thanks to VP Steve Dorsett for making the arrangements & getting the fuel down here.

It was announced that the "Charlie Built" fly-in scheduled for June 14th will be held at Nebo Memorial R/C Field in Martinsville.

It was announced that the outhouse at the club field has been serviced & is back on a regular service schedule for the flying season.

Joe Jackson reported that the field has been flooded but is now going down & the mess is not too bad. There may need to be some slight repair to the geo-mat. Yikai & Stix rolled the field just before the flood so that may need to be done again. Club members were reminded to keep the pit stands chained up to keep them from floating away. There is a special spot on the fence posts to hook the chain. Please don't just clip them to the fence!

club meeting.

Rick Metz still holds the coveted "Dork Award" & was not at the club meeting but it was reported that he did crash another airplane at Nebo Field on April 3rd.

The meeting was closed at 7:21:15...

### Interesting Bits...

Les Mobley sent me pictures of Mark's new twin & Yikai's new A-10. Thanks Les!

It's not all just airplanes. I got this picture of Yikai's basketball team after they finished a successful season. Congratulations to Yikai & the team!

After twenty-seven years or so of mowing Nebo Memorial R/C Field in Martinsville, I have

had to retire. I am no longer strong enough to lift the tailgate on the trailer that I haul the tractor on. Mark is having the staff at Nebo Memorial Park mow the runway & pit area along with the rest of their regular graveyard mowing. Bob Shireman reported on Thursday evening May 1st that the runway looked better than it ever has. Thanks Bob. VP Steve Dorsett reported that he & Yikai had rolled the runway again. Thanks to all who have made donations & helped out over the years! Please continue to help but get your donations to Mark now. Mowing & maintenance for Nebo Field is not included in your MCRCC annual dues.
